NABABIA MISSION

NABABIA MISSION

Message from the Secretary

Assalamu Alaikum, Dear Benefactor,

I begin to speak by singing the praise of the great creator Rasul Alamin Allah. The portrait of the educational mind and creative energy and tireless hard work of the renowned philanthropist, the late Alhaj Sk Fazlur Rahaman Saheb established my beloved 'Nababia Mission' in a pleasant environment. Now Nababia Mission has managed to spread its branches like a tree of knowledge as a wonderful creation in the courts of the whole world.

The march which started 24 years ago is still moving forward to improve the future of the backward people in the civilized world. When the happiness of the backward people is set in the sky and when the current education is in the sky, when the calamity is frequent, Nababia stands as Aladdin's miracle lamp with the efforts to quench the thirst of the heart of education.

In the academic year 2025, there are two separate campuses (boys and girls) with 1300 students. In the lap of the village in the frigid environment, the fellow travelers of the mission are well-educated and compassionate teachers and teaching staff and 24 hours health service, CCTV surveillance system, special coaching and teaching through projectors, separate prayer rooms with library, separate smart classes, motivational classes with NEET, JOINT ENTRANCE, WBCS coaching and other COMPETITIVE EXAMs, regular PT classes for students and if necessary. 'Weekly Etiquette Class Most Constructed Digital Library and Beautiful School Building for Girls, etc. Services Available in this Institution, Previous Year Secondary and Higher Secondary and NEET Results in West Bengal as well as in the whole State have eye-catching success 'Nababia' Mission.

May the empty space of 'Nababia' be filled with the blessings of kindness and generosity and with the cooperation of all well-wishers. May all the doors of the mission cottage be blessed with collective prayers and mercies, finally with sincere best efforts and apologies for all errors.

With Thanks,
Sk. Sahid Akbar
